Dear Carrie Abrath:

You have demonstrated your commitment to analytical accuracy and precision by participating in the Proficiency Testing/Rating option in the AACCC International Check Sample Series DF. We are exceedingly pleased to enclose your Certificate of Proficiency that you have earned by the quality of your results for the year 2010. Your assertions of high analytical accuracy and precision are affirmed with the earning of the Outstanding AACCC International Check Sample Certificate of Proficiency.

The determination for the Certificate of Proficiency is based on a scale of accuracy and precision, as determined by AACCC International.

Outstanding: Series Proficiency Index of <1, and Individual Proficiency Index of <2.
Satisfactory: Series Proficiency Index of <2, and Individual Proficiency Index of <3.
Questionable: Series Proficiency Index of >2, and Individual Proficiency Index of >3.
Unsatisfactory: Series Proficiency Index of >3, and Individual Proficiency Index of >4.
Insufficient: The complete set of data needed to compute the indices were not returned.

Please review the information at the top of this letter. If the name or address is incorrect, or if there has been a change in company name, address, or contact individual, please contact me. I can be reached at +1.651.454.7250, by fax at +1.651.454.0766, or by e-mail at scasey@scisoc.org.

Congratulations on a job well done.

Best Regards,

Sue Casey
